NewTechWood®

For a Better Outdoor Life

DECKING • CLADDING • SCREENING

NewTechWood® is your ultimate solution for residential and commercial decking, cladding and screening. The most natural looking composite timber on the market, NewTechWood® is highly durable and ultra low maintenance.

Benefits

- Full 360° Capping for Ultra Protection
- Natural look and feel of timber
- Low maintenance - no oiling or painting!
- Made from 95% recycled material
- Backed by a 25-year limited warranty
- Hidden clip system
- Stain & mould resistant
- Termite resistant
- UV resistant
- BAL 29 Rated (Decking)

The Ultrashield Difference

NewTechWood is a 360° fully capped wood plastic composite. The unique Ultrashield technology shields all four sides for ultra protection against moisture and guarantees durability.
